June is Here...Let The Summer Fun Begin!!

THINGS TO REMEMBER WHEN YOU ARE HERE...

SPEED LIMIT IN THE PARK

The posted speed limit in the park remains 10 km. Please respect this, and remember to tell your guests as well to avoid unnecessary issues.

WOOD ORDERS

Please have your wood orders in before 4PM - all wood orders received after the office is closed will be delivered the following day. Remember, you do not have to be on site to order - text/call the office and we can have your wood delivered and waiting for you when you arrive.

THIS IS BEAR COUNTRY

We are amongst wildlife. Please do not leave anything out which may tend to attract animals. This can include food, bottles, garbage cans, open barbecues, etc. And we strongly recommend NOT feeding the squirrels as they will be more likely to move into a trailer and do damage.

PROPERTY SOUTH OF ROSEWOOD

Again our neighbour's have graciously allowed us to use this space for nature walks or to take our dogs. Please be considerate and pick up after yourself and your pet. Also, remember that the office needs to be aware of all visiting dogs.

GRASS CLIPPINGS

Just a quick reminder that grass clippings are NOT to go into the garbage bins - please toss them over the ridge. Decomposing grass clippings, branches , etc will work to help stabilize the embankment, and limit further erosion.

VISITORS

We love having your guests share time in the park - please remember to let us know when friends/family are here so we are aware. The office needs to know about all visiting pets as well. If guests are staying overnight, there is a \$5/guest/night fee. Thanks in advance for your cooperation.

OFFICE HOURS

Please note that on Wednesdays and Thursdays I will be best reached by phone/text as I will be in and out of the office on those days. Should you need to reach me, please call or text and I'll be sure to touch base with you when I am back on site.

PET CARE

It is every pet owner's responsibility to ensure that the privilege of having your pet with you is not ruining the relaxation of others in the park. ALL pet poop is to be picked up immediately, and it is an expectation that your pet will never use someone else's yard to do their business. Also, be mindful of how your pet responds to being left alone in the trailer when you leave without them - if they experience separation anxiety and become 'Sir Barks-a-lot', an anti-bark collar will be required .

Thursday: Available by phone

HELP KEEP OUR
PARK LOOKING BEAUTIFUL

Just a kind reminder that it is everyone's responsibility to keep their driveways clean and free of weeds or overgrowing grass. If you are unable to attend to this yourself, you can either make arrangements with a neighbour, or speak to Tim/Karen and we will work to find a solution.

Please note that if you have paid for seasonal lawn care, this does NOT include the pulling of weeds in the driveways.

And feel free to water your trees - they need about 10 gallons every 2-4 weeks for every diameter inch of the trunk.

IT'S ALL GOOD MAINTENANCE...

LET'S TALK TRASH...

We all benefit from having the 'bear-proof' garbage bins on site - the opportunity to dispose of your household garbage **BEFORE** the ride home is a feature not all parks offer their guests. So keeping this in mind, Rosewood would like to remind everyone of the guidelines surrounding use of the bins on-site. Our general rule of thumb is this: if you wouldn't put it in your **kitchen** garbage can at home, you shouldn't be putting it in our garbage bin. Having said that, here are some other points to remember:

1. When disposing of cardboard boxes in the recycling bins, please take them apart and **break them down** as much as possible.
2. Keep your bagged garbage **INSIDE** your unit until you move it to the on-site bin...this will help keep wildlife/rodents away from your doorway
3. When throwing your bags of trash into the dumpster, please make sure that they go **INSIDE** the dumpster. Do not throw them on top, beside or in front of the dumpster.
4. Grass clippings do **NOT** go in the bin - feel free to dump them over the ridge
5. Fire pit ashes **NEVER** go into the 'bear-proof' bins - we have provided a labeled drum to safely dispose of ashes, located right beside the trash bin
6. The dumpster is not intended for construction debris, or **ANY** furniture items. To dispose of these items, you need to make your own arrangements.
7. If you are having work done on your unit, you must make sure your plumber or carpenter will dispose of his debris off-site.

In recent years we have pulled mattresses, BBQ's, lawn furniture and electronics from our bins - all of which we have had to manually pull out of the bin, take to the proper disposal centre, and pay to leave it there. We have also had a fire in the bin (last year) and once it was extinguished, we found the cause to be a combination of a gas lantern, old propane tank, Fire-pit ashes and grass clippings. Rosewood will no longer cover the cost associated with disposing of these 'non-kitchen garbage' items - the money may come from the Social Committee fund.

IN AND AROUND THE AREA

Although our park is beautiful and offers a great space to unwind and relax, it would be a shame to not point out some of the great touristy activities Mountain View County has to offer during the summer. If you haven't checked these landmarks out yet, add it to your list of 'must see' for this season; better yet, if you have friends coming to visit, these attractions will be a great way to spend a few hours outside of the park.

Sundre Pioneer Village: Located on 4 acres of land, the Village includes a 1913 log house, the original 1908 Bergen Schoolhouse, a working blacksmith shop, the original 1930 Red Deer Ranger Station, a log chapel, trappers Cabins and more. Encompasses a great park to have picnics in too!

World of Wildlife Exhibit: Part of the Sundre Museum, this exhibit includes a collection of 170 animal and bird mounts from around the world, displayed in full size and portrayed in scenes of their natural habitat.

Bergen International Sculpture Park: This attraction is actually located right here in Sundre. Your host, artist Morton Burke, will guide the tour and describe each sculpture and tell you about the artists, who came from various countries around the world.

Bergen Farmer's Market: Every Saturday 10:00 - 1:00

Sundre Farmer's Market: Every Friday 5:00 - 7:30

Cookie Jar Bakery
&
Coffee House

BRIGE REPAIR IN MEMORY OF DAVE STURGEON

With the passing of Dave in early May, there has been a bit of reminiscing, and it is amazing the number of projects that Dave worked on in the park. For instance, did you know that Dave is the creator of Scooter, the scare crow that sits in the centre of the garden each year? I was also surprised to find out that he built the bridge that sits on the ridge.

With this in mind, there has been a request to 'tidy up' the bridge, and add a plaque to memorialize it in memory of him. If you would like to help with this project, please see Jim Bolin. Any and all help will be appreciated.

CANADA DAY VOLUNTEERS NEEDED

Our Canada Day celebration is a favourite every year, and we are needing volunteers for this year's activities - with the parade, afternoon activities and evening BBQ, there is a lot going on, and a few extra hands would be greatly appreciated. All funds raised from the BBQ can go towards the Community Association, but we need enough volunteers to execute the event. Everyone and anyone is welcome to join. No restrictions or skill set required. Tasks can include planning, set up and take down of tables/chairs, chopping and prepping food... and anything in-between.

A sign-up list will be posted - please let Karen know how you would like to contribute.

And we would also invite any new ideas for events or activities - if you've got an idea, share it!

KICKS AND GIGGLES CORNER

A couple in their nineties were both having problems remembering things. During a checkup, the doctor told them that they were physically okay, but might want to start writing things down to help them remember.

Later that night, while watching TV, the old man got up from his chair. "Want anything while I'm in the kitchen?" he asked.

"Will you get me a bowl of ice cream?"
"Sure.."
"Don't you think you should write it down so you can remember it?" she asked.
"No, I can remember it.."
"Well, I'd like some **strawberries** on top, too. Maybe you should write it down, so as not to forget it?"
He said, "I can remember that. You want a bowl of ice cream with strawberries."
"I'd also like whipped cream. I'm certain you'll forget that - write it down?" she asked.Irritated, he said, "I don't need to write it down, I can remember it! Ice cream with strawberries and **whipped cream** - I got it, for goodness sake!"

Then he toddled off into the kitchen. After about 20 minutes, the old man returned and handed his wife a plate of bacon and eggs.

She stared at the plate for a moment. "Where's my toast?"
